Ocean Academy

an Aspirations Academy

Principal : Mrs J Quarrie

Dear parents and carers,

29 May 2020

Following the government's decision yesterday to continue with the wider opening of schools, Aspirations Trustees have met this morning and have agreed that all Aspirations academies will open to the wider school population on June 1st. For Ocean Academy, this means opening up to our current Year 6 as well as to the key worker and vulnerable children who already attend.

These parents have already been sent out the information they need to allow their child to return to school. Please can we ask that you follow this guidance for the safety of all of our children and staff. Please remember to complete the slip requested on this letter. You must agree to the home/school agreement.

The wider opening of schools will be monitored carefully and future guidance followed as it is directed.

We look forward to seeing more of our children in school.

Stay safe and look after each other.

Kindest regards

Mrs J Quarrie  
Principal
