GROWTH MINDSET

At Ocean, we strongly believe in the 'power of yet'. Having a Growth Mindset means that we can learn from our mistakes by being resilient and are ready to face new challenges.

Which mindset do you think you have?

BEHAVIOUR FOR LEARNING

Celebration assembly

This takes place every Friday (unless there is a class assembly). It includes:

- Golden book – earn a tea party reward with Mrs Quarrie!
- Learner of the week
- Class person of the week
- Sports people of the week
- Class of the week – chosen by Mrs Quarrie or Mr Tharme!
- TT Rockstar champions

House points

You will be placed into a house group (Weymouth, Poole, Swanage or Bournemouth). Adults around the school may reward you with house points for a variety of positive behaviours. Help your team win!

Behaviour chart

Every pupil starts the day on green and is working hard to reach silver and gold – class teacher chooses reward!

If wrong choices are made you will be moved to orange or red but your teacher will be looking closely to see if you make good choices again – always a chance to improve!

'We are fantastic'

This is a class reward where you earn letters for teamwork and are rewarded as a whole class – how quickly will you earn it?!

LEARNING SKILLS

Each half term we have a new learning skill to focus on. We will have an assembly or starter day to introduce us to the new skill and the adults in school will be encouraging you to display this behaviour in school.

- Teamwork
- Respect
- Independence
- Resilience
- Communication
- Self-motivation

OPPORTUNITIES AT OCEAN

We are passionate about our pupils having a 'voice' and truly feeling part of our school community. We have a variety of ambassadors that pupils can be selected for or choose to apply for:

- Members of Parliament (school council)
- Sports ambassadors
- Eco-warriors
- Peer mediators
- Class ambassadors
- Digital leaders
- CPTA
- Library monitor
- Gardeners

"HOW TO THRIVE AT OCEAN"

TOP TIPS FROM CURRENT YEAR 3'S

Ocean Academy Poole
an Aspirations Academy

- Be good to move up the behaviour chart!
- Use the 'buddy bench' to make new friends!
- Maths is fun and we have lots of equipment!
- If you need help, 'try 3 before me'!
- Do your homework!
- Keep your shirt tucked in!
- Try out the different sports clubs!
- Don't lose your tie!
- Enjoy the 'we are fantastic' rewards!
- Sometimes you get an extra playtime if you work hard in the afternoon!
