

Ocean Academy Poole: Sport Premium Funding 2020-21

Until the academic year 2020-21, the government is making available to all primary schools, a sum of money annually to allow them to continue to develop sports provision within school and to help schools increase pupil participation in sporting activity.

The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools. Please look at our reports to see how we will spend the money and to see the impact the spending had during the previous academic year.

The funding has been provided to ensure impact against the following OBJECTIVE:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following five key indicators:

- 1. The engagement of all pupils in regular physical activity and healthy lifestyle choices - kick -starting healthy active lifestyles*
- 2. The profile of PE and sport being raised across the school as a tool for whole school improvement*
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport*
- 4. Broader experience of a range of sports and activities offered to all pupils*
- 5. Increased participation in competitive sport*

This report is reviewed termly using the following criteria:

Achieved **Ongoing** **Not Met**

Evaluation of 2017-18:

Last year, the main strategy was to improve the confidence and competence of teaching staff whilst also engaging more children in physical activity and sport. Skilled coaches were employed to work alongside staff during PE sessions to allow teachers to gain confidence, ideas and subject knowledge. With a focus upon raising the number of children being active at break times, these coaches were paid to run free, 'turn up and play' style lunchtime clubs. These were very successful and had good attendance. Our provision of PE and School Sport was rated as Gold by the Sainsbury's School Games Board (SSGB) and so we achieved our 2nd consecutive year as a Gold rated school. Sports leaders and Sports council was further embedded throughout the school but needs further work to train Sports Leaders effectively.

Evaluation of 2018-19:

To improve teaching in PE: We employed a new member of staff (Mr Karl White) to work alongside PE lead and Vice Principal (L Tharme) and class teachers to plan and teach games sessions alongside the LTPE scheme of work. This scheme of work ensured complete coverage of the curriculum and progression of skills from Year 3-6. Rippa Rugby (Mon) and Coach James Wilson (Tues) were also employed to support the teaching of PE in school. Games teaching was of a consistently high level last year and teachers reported an improvement in their competence and skill in these areas. All staff were involved in this CPD. Pupil voice reported that PE was a highlight of their school experience.

To improve our school sport provision and attendance to sporting fixtures: Mr Tharme and Mr White was responsible for selecting, training and organising squad training four times a week (Mon-Thurs 3:30 – 4:30) to prepare teams (boys' football, girls' football, netball and athletics) for inter-school competitions. This was extremely successful with around 120 children engaged in quality training each week. We were members of PEDSSA, who organise competitive sporting opportunities for schools in Dorset & Poole and we attended most events and fixtures. We worked closely with Sam Cox (SGO) to attend all possible SSG events also. PPG children were targeted to ensure that they have the opportunity to attend and numbers rose on last year.

To continue to improve participation of physical activity and reduce behaviour incidents during break times: Planned by Mr Tharme, Mr White (Mon-Thurs), Coach James (Tues) and Rippa Rugby (Mon) were employed to run even more free break-time clubs for pupils to join and link these to PE teaching so that children improve their fundamental movement skills. This had a positive impact on active break times and behaviour.

To support children who have poor fitness/core strength: Planned by Mr Tharme, Mr Broadbent (Tues & Thurs: 8:20 – 8:50) was paid to run a before school core-strength club for selected children. Three children, selected by their class teacher who were identified as in need of further support with fine and gross motor skills, SEND or general fitness, attended the clubs (Y3-4 Tues/Y5-6 Thurs) and this had a positive impact on these children; particularly the PPG children.

To achieve the Platinum award from SSG: Ocean Academy achieved its 3rd Gold Kitemark.

Evaluation of 2019-20:

Increased confidence, knowledge and skills of all staff in teaching PE and sport

To improve teaching in PE: Planned and guided by Mr Tharme, Vice Principal, Mr White, an employed PE teacher, continued to develop and teach within PE and games sessions alongside teachers and the LTPE scheme of work to ensure complete coverage of the curriculum and progression of skills from Year 3-6. Teachers now take a lead in this teaching, putting what has been shared with them in previous years into practice. Teachers are now successfully leading their own PE sessions to a high standard and Mr White now focuses on those teachers who are NQTs or continue to need focused support. Learning walks by Loren Tharme have evidenced improved skill and knowledge from teachers and high levels of pupil engagement.

At the beginning of the year, we analysed the needs for improvement across the school and decided to focus on gymnastics teaching for this academic year: working with each year group and teaching alongside teachers for professional development. However, to ensure the continued development of games teaching, Mr White also worked closely with the class teachers when planning their games sessions to ensure that this built upon the successes of games teaching from last year. Mr Tharme also employed Rippa Rugby (Mon) and Coach James Wilson (Tues) to support the teaching of PE in school and offer different opportunities for children to experience PE, games and physical activity. Mr Tharme and Mr White worked closely with these external coaches to ensure that their delivery complemented our curriculum offer. Games and gymnastics teaching was of a consistently high level last year. However, due to Covid-19, a large chunk of the PE curriculum was missed. A comprehensive online PE plan ensured that children were still able to access PE and stay active throughout the lockdown period.

Mr Tharme and Mr White have worked closely to ensure that the PE curriculum was more progressive and better suited to the learners' needs. All staff were involved in CPD to support planning and delivery weekly. Pupil voice reported that PE was a highlight of their school experience. Mr Tharme and Mr White were able to use the PE budget to widen the range of opportunities available in PE & Games sessions by purchasing lacrosse equipment, tennis nets, ultimate frisbee resources, springboards vaults, as well as improving the current resources within the school. Clear links between PE & school sport were created with learning in PE directly feeding into squad training after school and ensuring that all children had the opportunity to continue to develop and apply their learning in extra-curricular clubs. Teachers and TAs are becoming more willing to support these clubs after school and to become involved in inter and intra competitions. To improve further, we must ensure that all teaching staff are confident to deliver learning across all areas of the PE curriculum and that PE is carefully planned to ensure a clear progression and secure development of fundamental movement skills.

Increased participation in competitive sport

To improve our school sport provision and attendance to sporting fixtures: Building on the successes of the previous year, squad training continued five times a week (Mon-Fri 3:30 – 4:30) to prepare teams (boys' football, girls' football, netball, athletics and cricket) for inter-school competitions. This continued to be extremely successful with around 150 children engaged in high quality training each week. These sessions were planned to give the children who showed the right attitude and a good development of their fundamental movement skills, the opportunity to apply these skills to sports. Through this training, our children were very well prepared to attend all sporting fixtures and competitions. We were able to participate and compete in most local competitions. We worked closely with our SGO to attend all possible SSG events also. PPG children were targeted to ensure that they have the opportunity to attend and numbers rose last year. In all competitions, Ocean was able to compete to a high level and, more often than not, placed highly in these events. To develop further, we would like to build on the successes this year and continue the success of squad training but also work harder to engage more children in our afterschool squads, particularly those who are less active or experience any form of disadvantage. Further to this, the number of teaching and support staff involved in the extra curricular clubs and attending competitions has increased.

The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles

To continue to improve participation of physical activity and reduce behaviour incidents during break times: Mr Tharme had planned for Mr White to continue to support the whole school development of an active playtime plan. This involved assigning adults to ‘zones’ where they were to offer organised, active opportunities for the children to take part. Mr White ran CPD sessions with the support staff during an INSET to share ideas of fun, active playtime games. Coach James (Tues) and Rippa Rugby (Mon) were also employed by LT to run even more free break-time clubs during lunch times for pupils to join and link these to PE teaching so that children improve their fundamental movement skills. This had a positive impact on active break times and behaviour. New equipment was purchased to support this plan and enable children to try new things at playtimes. Our playtimes were highly active and ensured that there were many activities available to the children; catering for their different interests.

To support children who have poor fitness/core strength: Mr Tharme organised for Mr Broadbent (Tues & Thurs: 8:20 – 8:50) to run a before school core-strength club. This was attended regularly by around 20-30 children. During these sessions, the children would use the gymnastics equipment to engage their core and develop their gross motor skills, core strength and body control. This was greatly received by the parents, teachers and pupils as a support structure for children who struggled in these areas or needed an opportunity to expend some energy before school. This was also used as a tool by some 1:1 TAs of the school to support the needs and development of their pupils also. To build on this success next year, we would like to continue this club and try to engage more pupils. We would also like to offer a Change4Life club to try to engage more pupils in PE, school sport and active lifestyles.

The profile of PE and sport being raised across the school as a tool for whole school improvement

To raise the profile of PE across the school and local community: Mr Tharme remained in close contact with Sam Cox (SGO) and Ocean was well on track for achieving its 4th gold kitemark but, because of Covid-19, the application process was removed by SSG. However, as a consolation, schools who were ‘actively engaged in the program’ received a participation award to acknowledge their continued development of PE, School sport & health, which Ocean received. During the 2020-21 academic year, Ocean must achieve its fourth gold kitemark award. The profile of PE, SS & H across the school is of high importance. It is regularly planned and timetabled and is never missed. Awards are given and celebrated in whole school assemblies and PE, SS & H is often mentioned as one of Ocean’s strongest attributes. The acquisition of new kit for pupils to wear at sporting events has raised the profile in and out of school further. By participating in many events across Bournemouth, Christchurch and Poole, school sport opportunities are regularly in the calendar and reported on in the newsletter and assemblies. A half termly sport newsletter is shared with all members of the community via email and the Ocean Academy PE twitter account is regularly used to engage parents with the attendance of events and results. To further improve this next year, we would like to organise and host Ocean competitions for other schools to attend, organise in-house, half-termly competitions and develop the use of the twitter account to engage more parents and the wider community.

Plan for Academic year 2020-21:

Academic Year: 2020-21		Total Funds Allocated: £19,570 Total Funds Spent: £29,070		
Sport Premium Outcome & whole school objectives	Desired Impact	Actions	Budget	Evaluation
The engagement of all pupils in regular physical activity: <ul style="list-style-type: none"> To develop the variety and quality of active playtime opportunities 	<ul style="list-style-type: none"> All playtimes will offer a wide range of opportunities for children to be active and engage in a healthy, active lifestyle and all staff will be engaged in developing this 	<ul style="list-style-type: none"> Develop a healthy, active playtime timetable Reminder letter to parents regarding healthy snack options 	Employment of full time PE teacher under leadership and	Final review: 25.07.2021 Equipment and playground markings purchased to further encourage active playtimes. Playtimes have been designed to ensure that all playtimes offer active opportunities. The following is in place:

<ul style="list-style-type: none"> To develop the use of active learning during curriculum time To obtain the healthy schools kitemark 	<ul style="list-style-type: none"> All snacks will be a healthy choice (fruit or veg) Each class will engage in at least once-a-week, planned active learning opportunities across their curriculum Ocean will achieve healthy school status in 2020-21 academic year We will engage at least 50% of pupils in extracurricular clubs Core strength club will run weekly and target those children who would most benefit - completed when in school and activities offered during online offer Our free change4life club will be successful and engage at least 25 children in developing an active, healthy lifestyle 	<ul style="list-style-type: none"> PE teacher to support teachers to plan/timetable active learning opportunities in their curriculum offer Keep up to date registers of club, squad and competition pupil participation Plan and timetable squads and clubs available for 2020-21 Online Offer Included Different Ways To Carry Out Pe Activities Ie Using Socks, Videos Etc Advertising Events In Local Community, Offer Holiday Experiences, Outward Bound Year 6 Experience Bikeability Scheme used to ensure safety when cycling Physical Health Linked To Healthy Diet, Cookery, Mental Health Experiences, Healthy snack offered By School To PPG Children Daily As A Snack As Needed Afc Bournemouth - Healthy Schools With Year 3, Assemblies About Physical Health, Diet, Mental Health 	<p>guidance of Vice Principal: £19,570</p> <p>Playground markings: £2000</p> <p>Core strength club cost of staff: £700</p>	<ul style="list-style-type: none"> Stadium - Has large imagination equipment bikes and trikes - to encourage a different form of exercise/movement Playtrail - encourages children to climb/balance/swing Front Playground- traditional ball games /racquet sports for children who prefer the more traditional sports Skipping ropes <p>Observation and pupil voice results show an increase in engagement in active playtimes. Athletics	12/30 = 40%															
<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport:</p> <ul style="list-style-type: none"> To improve the confidence and competence of all teaching staff when teaching gymnastics 	<ul style="list-style-type: none"> Most teachers will be confident in delivering high quality PE and games in line with LTPE scheme and support of KWV Regardless of year group or class, all PE teaching will be of a high standard and will follow the progressive plans of the curriculum All pupils, by the end of the year, will have greater ability when using the fundamental movement skills and how they can apply these into games All pupils, by the end of the year, will benefit from all aspects of a healthy lifestyle exercise/eating/mental wellbeing 	<ul style="list-style-type: none"> Complete staff questionnaire prior to CPD Complete pupil voice at beginning and end of the year to evaluate impact PE teacher to support planning and teaching of PE & games in all year groups throughout the year All staff to use the LTPE scheme as a progressive curriculum planning tool and adapt their planning to suit the needs of the learners All staff to work together to evaluate the effectiveness of teaching and learning in PE and games and work together to improve this CPD to be sourced and attended and teaching staff on high-quality PE teaching across the curriculum 	<p>Employment of full time PE teacher under leadership and guidance of Vice Principal: £19,570</p> <p>Staff gymnastics CPD: £300</p>	<p>Final review: 25.07.2021</p> <p>KW and LT regularly plan alongside teachers to ensure quality across the curriculum and progression in learning. The teachers are far more engaged within school sport meaning their positivity is transferring to the children. The whole school now has a clear direction and joined up approach.</p> <p>An assessment tool has been designed and implemented in the summer term to ensure that good progress is being made by all learners. Accurate assessments are now being made; informing better learning.</p> <p>LTPE scheme is being used and adapted well to teach a progressive curriculum across the school. Lessons now have a clear base - with schemes being updated to suit all children - where games and activities can be modified and tailored to meet each child's individual need.</p> <p>KW attended gymnastics CPD for his own development - this has had a positive impact on gymnastics teaching.</p>												

	<ul style="list-style-type: none"> Class teachers will plan and deliver their own PE and games sessions to a high standard 	<ul style="list-style-type: none"> PE & games will be timetabled and carefully planned each week; taught by class teachers alongside PE teacher Plan opportunities for PE learning walks and evaluate current action plan Use of IRIS by staff to self-evaluate the effectiveness and quality of learning in PE 		<p>Gymnastics has now grown stronger - where the lessons are progressive and all inclusive for all abilities. Each term now follows clear steps of progression meaning children can really exceed and improve. KW knowledge has been passed on to other teachers, thus the quality of gymnastics teaching has improved.</p> <p>Planned gymnastics CPD for September 2021 for all teaching staff will develop further confidence and competence when teaching PE.</p> <p>Plans for the Summer term included the opportunity for KW to work alongside, support and mentor teachers in Y4 and Y5 when teaching PE & Games. This has improved and monitored the quality of PE teaching.</p> <p>All teachers are now planning PE alongside KW rather than following KW plans. We are sharing ideas and best practice - this ensures the children's engagement is improved. Teachers also coming up with twists and new concepts that is only a positive to school sport</p>
<p>Broader experience of a range of sports and activities offered to all pupils:</p> <ul style="list-style-type: none"> To widen the range of games/sports/activities available for all pupils at Ocean Academy 	<ul style="list-style-type: none"> There will be planned opportunities in the curriculum to experience a wide range of games/sports/activities There will be a wide range of equipment available to be used by staff and pupils Opportunities to experience a wide range of games/sports/activities will be evident at playtimes Ocean will attend 90% of local events and opportunities in a wide range of games/sports/activities 	<ul style="list-style-type: none"> Audit and purchase equipment to suit the needs of our curriculum and context YLS to plan opportunities to experience outdoor and adventurous activities as part of a residential and trips programme Work alongside teaching staff to plan opportunities for a wider range of games/sports/activities to be used during PE sessions Work alongside support staff to plan opportunities for a wider range of games/sports/activities to be used during playtimes Keep up to date registers of all events attended highlighting less active, PPG and SEND Forest school employed in Year 4 As part of lockdown offer to key worker and vulnerable children, they took part in a weekly 'active timetable' including a broad range of sports including skateboarding and archery on top of their usual PE curriculum 	<p>Employment of full time PE teacher under leadership and guidance of Vice Principal: £19,570</p> <p>Sports equipment 2020-21: £3,000</p> <p>Forest School employment 16 weeks: £2,200</p> <p>Rippa Rugby employment 16 weeks: £1,200</p>	<p>Equipment purchased at the beginning of the year to widen the curriculum offer and enhance the gymnastics equipment.</p> <ul style="list-style-type: none"> Mats Spring Board Balance Boards Vault Handball Dodgeball La Crosse <p>Pupil voice reports positivity to these new parts of the curriculum. Playtime games CPD was undertaken by all support staff. Staff and children are more engaged at break/lunch times. There were several techniques that involved zero equipment. The children have benefited from this new approach.</p> <p>Although inter-school competitions are on hold this year, participation in squad training is high. Please see participation numbers above.</p>

<p>Increased participation in competitive sport:</p> <ul style="list-style-type: none"> To increase the number of pupils participating in extracurricular sport and events, in and out of school 	<ul style="list-style-type: none"> All PE lessons will incorporate an element of competition Half-termly in-house competitions, including sports day, will occur and incorporate competition Ocean will attend 90% of local events and opportunities in a wide range of games/sports/activities The number and variety of pupils participating in extra-curricular sport will increase on previous years Ocean Academy will continue to compete and be successful at most sporting events and fixtures The squad training clubs will continue to grow on last years' numbers, engaging high numbers of children in competitive sport 	<ul style="list-style-type: none"> All staff supported when planning PE sessions and following the whole-school agreed approach Planned, half-termly events will occur and celebrate diversity of a range of sports - achieved in school post lockdown All local events timetabled, planned and attended Keep registers of participants of clubs and competitions/events and vary/add to this so more children are engaged Observe and communicate with pupils in PE sessions to gauge their interest/enjoyment in various sports Encourage diversity and involvement of ALL groups of children in squad training clubs 	<p>Employment of full time PE teacher under leadership and guidance of Vice Principal: £19,570</p>	<p>All planning incorporates competitive elements through small-sided games for all children. Children love the competitiveness of school sport even if they are playing in a two - it is a measurable success - can you score two goals - now double it - children have understood the process of attack/defence through these games</p> <p>Planned intra club events began in the Autumn term with success/100% attendance and very positive feedback from staff and pupils. These continued in Spring and Summer term with huge success and positive reports from pupil voice.</p> <p>Introduction of change 4 life club based on needs of cohort has been a success at targeting inactive children and developing their enjoyment and participation. 25 targeted children currently attending.</p>
