

At Ocean Academy, we believe that every child is unique and deserves to feel special. By valuing each individual and building their self-worth, pupils are able to achieve to their full potential. It is essential that we (Ocean Academy staff, parents / carers and children) work together as a close partnership to ensure each child becomes the person they aspire to be. Please read this agreement with your child before you both sign and return one copy to the school office. Please keep the second copy for your records.
