

Year 4 Overview: Summer 1 term 2022 (*text in blue font links to further information online)

Self-worth

Engagement

Purpose

English	Values	Physical Education
<p style="text-align: center;"><u>'Charlie and the Chocolate Factory'</u> by Roald Dahl</p>  <p><i>'Sir Ernest Shackleton's ship Endurance has been crushed by ice. Shackleton wanted to be the first to walk across the Antarctic continent. Now he and his 27 are stranded on the ice floes in the middle of the frozen ocean.</i></p> <p><i>Courageously, they begin planning their escape. No one can rescue them. They will have to save themselves.'</i></p> <p>=</p> <p>This half term, we will be using this text to inspire our own persuasive radio adverts. We will be focusing on the use of expanded noun phrases and imperative verbs, along with a continued focus on sentence structure.</p> <p><u>Spelling</u> Each week, the children will be discreetly taught how to spell words from the statutory year 4 spelling list. These will be sent home each Friday in the homework book for you to support your child at home.</p>	<p style="text-align: center;">Our learning skill focus this half term is...</p> <p style="text-align: center;">COMMUNICATION</p> <p style="text-align: center;">Children will learn how to deal with a variety of experiences and challenges in a positive way.</p> <div style="text-align: center;">  </div>	<p>In PE this half term, we will begin to prepare for sports day with a focus on running, throwing and jumping.</p> <p>In gymnastics, we will be continuing to develop our tumbling skills with a focus on moving and climbing.</p> 
	Maths	Creative
	<p>In maths this half term, we will be focusing on the following areas:</p> <p><u>Fractions:</u></p> <ul style="list-style-type: none"> Recognise common equivalent fractions and counting in hundredths. Count up and down in hundredths Solve problems to calculate quantities including non-unit fractions. Add and subtract fractions with the same denominator <p>Through daily sessions, we will be continuing to focus on ARITHMETIC: adding, subtracting, multiplying and dividing quickly and efficiently and improving our mental maths fluency.</p> 	<p style="text-align: center;"><u>ART:</u></p> <p>This half term, the children will be learning about the artist Andy Goldsworthy. They will be using a range of natural materials to create imaginative pictures.</p> <p style="text-align: center;"><u>SPANISH:</u></p> <p>This half term, we will focus this term on speaking, listening and reading. We will continue to revisit and revise previous vocabulary as well as expand our vocabulary with months and seasons.</p>  <p>*Duo Lingo is a great free app to begin learning Spanish.</p>
Science	Geography	Times tables
<p>This half term, we will be learning about States of Matter</p> <p>In this topic, we will:</p> <ul style="list-style-type: none"> Compare and group materials together based on if they are solids, liquids or gases. Observe how some materials change state when they are heated or cooled Revisit and revise evaporation and condensation in the water cycle. <p>Please follow this link to the Learning Journey Map</p>	<p>DRIVING QUESTION: How can we survive and thrive in a hostile environment?</p> <p>This half term, we are putting our survival skills to the test in a topic all about surviving in the wild. We will be learning about mountains and their formation as well as understanding how to survive in a mountainous environment.</p>  <p>We will be revisiting knowledge including:</p> <p>*The location of countries, continents and oceans in relation to the hemispheres and equator</p>	<p>As well as being critical for everyday life, knowledge of multiplication tables helps children to solve problems quickly and flexibly, and allows them to tackle more complex mathematics later on in school.</p> <p>In school, we continue to teach and practise times tables at every opportunity. Each child has their own *TT Rockstars login, which they can use at home, and you can support your child further through quick-fire questioning or using a flashcard approach.</p> <p>Year 4 children will be completing the Multiplication Tables Check in June 2022. To see what the Multiplication Tables</p>

	<p>*Climate and seasons *Insulators</p> <p>Please follow this link to the Learning Journey Map</p>	<p>Check (MTC) is like and practise this format at home, please follow the link below: https://www.timestables.co.uk/multiplication-tables-check/</p>
<p>PSHE</p>	<p>SMSC & British Values</p>
