Wednesday 4 January 2023

Dear Parents/Carers

Within our science learning this term we have been learning all about magnets and forces. In order to revise this learning, we would like to take the children to **Winchester Science Centre** on **Wednesday 14th June 2023**.

While there, the children will be given time to explore the exhibitions, take part in a rockets workshop run by the staff and also get to go and explore the amazing planetarium.

In order to get to the science centre in time, we need to leave school at 9:00am that morning and so therefore ask for children to be dropped off promptly by 8:45am at the latest on that morning. We will be leaving the centre at 2:00pm to be back at school for the usual pick up time of 3.20pm (traffic dependent). If there are any delays, the school office will aim to let you know as soon as possible.

The children will be given the chance to visit the shop and can bring up to a maximum of £5 to spend. Spending in the shop is optional. We cannot accept any responsibility for lost money or items on the trip.

In order for us to cover the costs of the trip, we ask for a **contribution of £16.50** per child. **Please note that the trip will not be able to go ahead, if the relevant funding cannot be met.** Payment can be made via School Money and payment to be made by 31 May 2023.

Your child will need to bring a packed lunch on this day so please do not order a school meal on this day. If your child receives a free school meal, they will be provided with lunch on this day.

We look forward to a fun and exciting day!

Kind regards

The Year 3 team
