1. Introduction and aims

This document has been prepared and published in accordance with requirements of the [The Equality Act 2010](#) and [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#) to demonstrate how Jewell Academy complies with the public sector duty set out in paragraph 149 of the Act to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

In preparing this document, consideration has also been given to guidance issued by the Department for Education (DfE) ('The Equality Act 2010 and schools') and by Equality and Human Rights Commission ('Public sector equality duty guidance for schools in England'). These documents can be accessed by the following links:

[DfE The Equality Act 2010 and schools.](#)

[EHRC public sector equality duty guidance for schools in England](#)

This document also complies with the Academy's funding agreement and the articles of association of the Aspirations Academies Trust.

2. Roles and responsibilities

The Regional CEO and Regional Board will:

- Ensure that the equality information and objectives referred to in this statement are published and communicated throughout the school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year, and that the objectives are updated at least every 4 years
- Delegate to the Principal the responsibility for the day to day monitoring of performance towards the objectives

In fulfilling these responsibilities the Regional CEO and, as appropriate, any member of the Regional Board given delegated responsibilities for Equality will:

- Ensure they are familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training
- Periodically meet with the Principal and other relevant staff members to discuss any relevant issues and how these are being addressed
- Report back to the full regional board regarding any significant issues

The Principal and staff to whom the Principal designates relevant responsibilities will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Identify any staff training needs, and deliver training as necessary
- Meet with the Regional CEO (or relevant Regional Board member) periodically to raise and discuss any relevant issues
- Monitor success in achieving the objectives and report back to the Regional CEO and Regional Board

All the Academy's staff are expected to have regard to this document and to work to achieve the objectives as set out in appendix 1.

3. Fulfilling our responsibilities under the Equality Act

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It helps us in tackling issues of disadvantage and underachievement of different groups.

Our approach to equality is based on the following key principles:

- All learners are of equal value
- We recognise and respect difference
- We foster positive attitudes and relationships and a shared sense of cohesion and belonging
- We observe good equalities practice in staff recruitment, retention and development
- We aim to reduce and remove inequalities and barriers that already exist
- We have the highest expectations of all our children

Set out in subsections (a) to (c) are key measures taken by the Academy to fulfill the public sector duty set out in paragraph 149 of [The Equality Act 2010](#) .

The following measures are considered instrumental to the achievement of all aspects of the duty:

- Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.
- New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September. This includes equality as part of the safeguarding training, Smartlog and Judicium training. We also use TES materials to support equalities training.

3(a). Eliminating discrimination

In complying with the provisions of the Equality Act 2010 relating to the elimination of discrimination, the following are key measures taken by the Academy:

- Where relevant, the Academy's policies include reference to the importance of avoiding discrimination and other prohibited conduct. For example, the Behaviour Policy sets out that discriminatory behaviours such as prejudicial bullying are not acceptable and identifies how such behaviours will be addressed. The SEND policy sets out inclusion for all.
- Relevant incidents, e.g. racist incidents, are recorded, responded to and monitored. Summary information is reported at Regional Board meetings and used to measure the effectiveness of the Academy's policies and practice inform further development of these.
- Curriculum content is regularly reviewed to ensure it is appropriate in the context of the responsibility to eliminate discrimination, e.g. by avoiding negative stereotyping. We use the PSHE Jigsaw programme. The Teaching and Learning policy outlines equality of access to the curriculum for all.
- We have an Equalities Statement that is shared with staff and the academy community via the website. There is also an accessibility plan available to promote equal access to all facilities. The
- We have an anti-bullying lead on staff and the children actively promote anti-bullying through their role as anti-bullying leads. The anti-bullying policy outlines the academy's stance towards stamping out bullying. The admissions policy outlines the process of equity with regards admission to the academy.
- Regular assemblies are in place to tackle all types of inequality.

3(b). Advance equality of opportunity

As set out in the DfE guidance on the Equality Act, the Academy aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or pupils who identify as gay who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the Academy will:

- Provide teaching of the highest quality to ensure children reach their potential and all pupils are given equal entitlement to success
- Regularly monitor the curriculum to ensure that it meets the needs of all pupils
- Use information gathered about pupils' progress to identify underachieving groups or individuals and plan targeted interventions
- Ensure that all pupils have the opportunity to access extra-curricular provision
- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying performance against key equality indicators
- Listen to and monitor views and experiences of pupils and adults to evaluate the effectiveness of the Academy's policies and procedures.

3(c). Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of the curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and external speakers will be invited to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the Academy. For example, the school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach
- Work towards developing the fundamental British Values across our academy

4. Equality considerations in decision making

The Academy always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, consideration is given to whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities or disadvantage
- Has equivalent facilities for boys and girls

Equality impact assessments will be made when undertaking activities, and developing policies and procedures that may have an effect on a group with protected characteristics.

5. Monitoring arrangements

This document will be approved under authority delegated by the Regional Board.

The Regional CEO will ensure that the Academy's published equality information, particularly as set out in section 3(a) to 3(c) of this document, is reviewed at least every year and that in conjunction with the review, further information is appended for the purpose of reporting on progress towards the objectives set out in appendix 1.

A full review will be undertaken of the objectives set out in appendix 1 no later than 4 years following the date of them being established and new objectives will be established at that time. The undertaking of the review and establishment of new objectives will be subject to approval through authority delegated by the Regional Board with reference to Trust policy.

Appendix 1

Specific and measurable equality objectives for period from Sep 2023-Sep 2025

Objective 1: To ensure enrichment and out of school activities are made accessible to all pupils, including those with disabilities and special educational needs, to eliminate discrimination and ensure the best possible educational outcomes, by:

- Ensuring consideration is given to equality when arranging school visits and school-based activities;
- Addressing any barriers to pupils' engagement in school visits and school-based activities through the planning and risk assessment processes.

Why have we chosen this objective?

The school has a high % of pupils with Special Educational Needs and Disabilities compared to other schools.

How will this be measured and evaluated?

Registers for visits and school events show that pupils with disabilities, and special educational needs are fully involved in the wide range of activities the school offers. Educational Visit Leader and Senior Leaders will monitor relevant paperwork to ensure that equality considerations are made on all risk assessments for school visits and school-based activities.

Objective 2: To improve knowledge, skills and attitudes to enable pupils to appreciate and value difference and diversity, by:

- Promoting equality with regard to race, gender, disability, religion and ethnicity in our school curriculum.
- Promoting equality with regard to race, gender, disability, religion and ethnicity in our assemblies, making links to our core values of self-worth, engagement and purpose
- Monitoring and evaluating pupils' attitudes and knowledge around diversity and equality.
- Providing high quality CPD for staff
- Promoting positive references to all races, genders, disabilities, religions and ethnicities in our books, stories, website promotions etc.

Why have we chosen this objective?

Currently, there is an under-representation of ethnic groups within the school, when compared to other schools nationally, however there is a representation of pupils from different groups including both genders, pupils with a disability and pupils from different faiths.

How will this be measured and evaluated?

Leaders will monitor coverage of equalities through curriculum monitoring and assembly monitoring. Pupil voice and book monitoring will be used to evaluate pupils' knowledge, skills and attitudes to diversity issues. Reporting on equalities information through reports to full governing bodies and teaching and learning curriculum. Behaviour records will be monitored and where there are concerns, these will be addressed with follow up support to individual pupils.

Objective 3

Have in place a reasonable adjustment agreement for all staff with disabilities to meet their needs better and ensure that any disadvantages they experience are addressed.

Why we have chosen this objective:

To ensure recruitment is fair in process and that any member of staff employed has their disability fairly accommodated and any absence management due to disability is not unfairly monitored

To achieve this objective we plan to:

Gain OH advice where possible.

Seek advice from external professionals where appropriate.

Make reasonable adjustments in line with trust policy and relevant legislation.

How will this be measured and evaluated?

Trust have assigned a medical body to address OH needs - this is utilised appropriately.

Holding regular wellbeing sessions for staff who need this.

Implement high quality CPD to ensure leaders and staff understand reasonable adjustments.

Objective 4

Train all members of staff and governors involved in recruitment and selection on equal opportunities and non-discrimination by the beginning of the next academic year. Why we have chosen this objective:

To achieve this objective we plan to:

All staff involved in recruitment carry our safer recruitment training and Smart log equalities training.

Judicium to check adverts, application forms etc to ensure equality of opportunity.

How will this be measured and evaluated?

CPD is attended by all relevant staff - this will be logged and evaluated annually.
