Parent and Child Maths Engagement Session

Dear parent/carers,

We are delighted to be able to invite you to join us for a 'maths engagement session' on Tuesday 5th December 2023 between 3:20 pm and 4:00 pm in the school hall.

This session will be for pupils and their parents to come and join us for some fun creative maths activities led by our amazing Maths Champions. Furthermore, this will be a chance for parents and carers to find out more about how we teach maths at Ocean Academy and to find different ways that you can support your child's maths learning at home.

Please collect your child from school as usual at the end of the day and then join us in the hall via the pupil entrance (where the children come into school in the morning).

If you are interested in joining us, then please complete the form below:
