'Bringing learning to life: No limits. No barriers.'

24 January 2024

## Dear Parent/Carer

To support your child to become a stronger swimmer and more confident in the water, we have organised weekly swimming lessons for all pupils in Year 4 during the Summer term (between April -July).

The lessons will be run during the school day (1:30pm - 2:30pm) with the aim being to support your child to reach the End of Key Stage 2 standards for swimming and water safety.

To allocate your child to an appropriate swimming group matching their ability, we need to

understand their current swimming ability and ask you to **complete the Google form below**. Please be as accurate as you can so that we can support your child in the best possible way.

https://forms.gle/FE1rgeqtxmw3zmZD7

Based on this information, we will then put your child into one of eight ability groups and, closer to the time, you will receive a letter to confirm and ask for payment via school money.

As part of the National Curriculum, all pupils must be able to confidently swim 25m using various strokes by the end of Year 6. If your child is unable to swim to this standard, they MUST take part in these swimming sessions. If your child is already able to confidently swim at this level and you would like to opt out of these sessions, please contact the school to let us know and provide evidence of your child's swimming level (badges or certificates are ideal).

If you have any questions, please let us know.

Yours sincerely, Mr West Assistant Principal
