

## Year 3 Overview: Autumn term 2 2020

English	Learning skill	Physical Education
<p style="text-align: center;"><b>Until I met Dudley by Roger McGough</b></p> <p>'Have you ever wondered how a toaster works? Or a fridge-freezer, or a washing-up machine? In this fun-filled book of how things work, Dudley, the techno-wizard dog, provides the answers. Roger McGough's delightfully ingenious text and Chris Riddell's striking illustrations take children from the furthest realms of fantasy into the fascinating world of technology to discover the workings of familiar machines, making it an exciting book which will delight again and again.'</p> <p><i>' Roger McGough's witty *text offers many weird and wonderful explanations' - Bookseller</i></p> <p><b>We will be reading this book in our class and will respond by:</b></p> <ul style="list-style-type: none"> <li>Writing a non-fiction piece of text to inform others how a robot pet compares to a real pet</li> <li>Continuing to refine our sentence structure and how these impact the reader; using conjunctions to add detail</li> </ul> <div style="text-align: center;">  </div> <p>Additionally, we will also be having an end of term <b>debate</b>, responding to the question: <b>Should all school pupils wear a smart uniform including a blazer, shirt and tie?</b></p>	<p>This half term our learning skill is:</p> <h3 style="color: red;">RESPECT</h3> <p>The children will learn about the importance of this for skill both for their education and in wider parts of their life.</p>	<p>In PE and games this term, we will be working to develop our fundamental movement skills, core strength, balance and coordination through:</p> <ul style="list-style-type: none"> <li>Invasion games</li> <li>Gymnastics</li> <li>Dance</li> </ul>
	Maths	Religious Education
	<p><b>In maths, we will focus upon the following areas:</b></p> <p><b>PLACE VALUE:</b></p> <ul style="list-style-type: none"> <li>Continue to revisit and revise our place value knowledge, with particular emphasis on 3-digit numbers</li> </ul> <p><b>ADDITION AND SUBTRACTION:</b></p> <ul style="list-style-type: none"> <li>Add and subtract multiples of 100</li> <li>Progress to adding and subtracting 3 digit numbers with 3 digit numbers, crossing 10/100 and exchanging</li> <li>Estimating and checking answers using formal written methods</li> </ul> <p>Additionally, we will be completing daily arithmetic and times tables tasks. Your child will also be signed up to <b>*IT Rockstars</b> and given log in details to practise their times tables at home.</p>	<p><b>Driving Question: Has Christmas lost its true meaning?</b></p> <p>In the lead up to Christmas, we will be learning about the tradition from the Christianity perspective. We will learn about the origins of Christmas and compare this to how it is celebrated today.</p>
		Science
		<p>This term we will learn about two topics: <b>*forces and magnets</b> and <b>animals including humans</b>.</p> <div style="text-align: right;">  </div> <p>The children will investigate friction an, magnetic strength, linking this to our <b>*understanding of the world</b>.</p> <p>They will also learn about the importance of nutrition for animals, and the role of the skeleton and muscles.</p>
