

Ocean Academy Poole: Sport Premium Funding 2020-21

Until the academic year 2020-21, the government is making available to all primary schools, a sum of money annually to allow them to continue to develop sports provision within school and to help schools increase pupil participation in sporting activity.

The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools. Please look at our reports to see how we will spend the money and to see the impact the spending had during the previous academic year.

The funding has been provided to ensure impact against the following OBJECTIVE:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following five key indicators:

- 1. The engagement of all pupils in regular physical activity and healthy lifestyle choices - kick -starting healthy active lifestyles*
- 2. The profile of PE and sport being raised across the school as a tool for whole school improvement*
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport*
- 4. Broader experience of a range of sports and activities offered to all pupils*
- 5. Increased participation in competitive sport*

This report is reviewed termly using the following criteria:

Achieved **Ongoing** **Not Met**

Evaluation of 2017-18:

Last year, the main strategy was to improve the confidence and competence of teaching staff whilst also engaging more children in physical activity and sport. Skilled coaches were employed to work alongside staff during PE sessions to allow teachers to gain confidence, ideas and subject knowledge. With a focus upon raising the number of children being active at break times, these coaches were paid to run free, 'turn up and play' style lunchtime clubs. These were very successful and had good attendance. Our provision of PE and School Sport was rated as Gold by the Sainsbury's School Games Board (SSGB) and so we achieved our 2nd consecutive year as a Gold rated school. Sports leaders and Sports council was further embedded throughout the school but needs further work to train Sports Leaders effectively.

Evaluation of 2018-19:

To improve teaching in PE: We employed a new member of staff (Mr Karl White) to work alongside class teachers to plan and teach games sessions alongside the LTPE scheme of work. This scheme of work ensured complete coverage of the curriculum and progression of skills from Year 3-6. Rippa Rugby (Mon) and Coach James Wilson (Tues) were also employed to support the teaching of PE in school. Games teaching was of a consistently high level last year and teachers reported an improvement in their competence and skill in these areas. All staff were involved in this CPD. Pupil voice reported that PE was a highlight of their school experience.

To improve our school sport provision and attendance to sporting fixtures: Mr White was responsible for selecting, training and organising squad training four times a week (Mon-Thurs 3:30 – 4:30) to prepare teams (boys' football, girls' football, netball and athletics) for inter-school competitions. This was extremely successful with around 120 children engaged in quality training each week. We were members of PEDSSA, who organise competitive sporting opportunities for schools in Dorset & Poole and we attended most events and fixtures. We worked closely with Sam Cox (SGO) to attend all possible SSG events also. PPG children were targeted to ensure that they have the opportunity to attend and numbers rose on last year.

To continue to improve participation of physical activity and reduce behaviour incidents during break times: Mr White (Mon-Thurs), Coach James (Tues) and Rippa Rugby (Mon) were employed to run even more free break-time clubs for pupils to join and link these to PE teaching so that children improve their fundamental movement skills. This had a positive impact on active break times and behaviour.

To support children who have poor fitness/core strength: Mr Broadbent (Tues & Thurs: 8:20 – 8:50) was paid to run a before school core-strength club for selected children. Three children, selected by their class teacher who were identified as in need of further support with fine and gross motor skills, SEND or general fitness, attended the clubs (Y3-4 Tues/Y5-6 Thurs) and this had a positive impact on these children; particularly the PPG children.

To achieve the Platinum award from SSG: Ocean Academy achieved its 3rd Gold Kitemark.

Evaluation of 2019-20:

Increased confidence, knowledge and skills of all staff in teaching PE and sport

Broader experience of a range of sports and activities offered to all pupils

To improve teaching in PE: Mr White, an employed PE teacher, continued to develop and teach within PE and games sessions alongside teachers and the LTPE scheme of work to ensure complete coverage of the curriculum and progression of skills from Year 3-6. At the beginning of the year, we analysed the needs for improvement across the school and decided to focus on gymnastics teaching for this academic year: working with each year group and teaching alongside teachers for professional development. However, to ensure the continued development of games teaching, Mr White also worked closely with the class teachers when planning their games sessions to ensure that this built upon the successes of games teaching from last year. Rippa Rugby (Mon) and Coach James Wilson (Tues) were also employed to support the teaching of PE in school and offer different opportunities for children to experience PE, games and physical activity. Mr White worked closely with these external coaches to ensure that their delivery complemented our curriculum offer. Games and gymnastics teaching was of a consistently high level last year. However, due to Covid-19, a large chunk of the PE curriculum was missed. This will need to be planned for next year. Because we were able to have one member of staff with sole responsibility of overseeing and planning PE & games across the school, learning was more progressive and better suited to the learners' needs. All staff were involved in this CPD. Pupil voice reported that PE was a highlight of their school experience. Mr White was able to use his PE budget to widen the range of opportunities available in PE & Games sessions. By having one member of staff leading and teaching PE across the school on a daily basis, a clear link between PE & school sport was created with learning in PE directly feeding in to squad training after school and ensuring that all children had the opportunity to continue to develop and apply their learning in extra-curricular clubs. To improve further, we must ensure that all teaching staff are confident to deliver learning across all areas of the PE curriculum and that PE is carefully planned to ensure a clear progression and secure development of fundamental movement skills.

Increased participation in competitive sport

To improve our school sport provision and attendance to sporting fixtures: Building on the successes of the previous year, Mr White continued to be responsible for selecting, training and organising squad training five times a week (Mon-Fri 3:30 – 4:30) to prepare teams (boys' football, girls' football, netball, athletics and cricket) for inter-school competitions. This continued to be extremely successful with around 150 children engaged in high quality training each week. These sessions were planned to give the children who showed the right attitude and a good development of their fundamental movement skills, the opportunity to apply these skills to sports. Through this training, our children were very well prepared to attend all sporting fixtures and competitions. By having a member of staff in sole responsibility for this area, we were able to participate and compete in most local competitions. We worked closely with our SGO to attend all possible SSG events also. PPG children were targeted to ensure that they have the opportunity to attend and numbers rose on last year. In all competitions, Ocean were able to compete to a high level and, more often than not, placed highly in these events. To develop further, we would like to build on the successes this year and continue the success of squad training but also work harder to engage more children in our afterschool squads, particularly those who are less active or experience any form of disadvantage.

The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles

To continue to improve participation of physical activity and reduce behaviour incidents during break times: Mr White continued to support the whole school development of an active playtimes plan. This involved assigning adults to 'zones' where they were to offer organised, active opportunities for the children to take part. Mr White ran CPD sessions with the support staff during an INSET to share ideas of fun, active playtime games. Coach James (Tues) and Rippa Rugby (Mon) were also employed to run even more free break-time clubs during lunch times for pupils to join and link these to PE teaching so that children improve their fundamental movement skills. This had a positive impact on active break times and behaviour. New equipment

was purchased to support this plan and enable children to try new things at playtimes. Our playtimes were highly active and ensured that there were many activities available to the children; catering for their different interests.

To support children who have poor fitness/core strength: Mr Broadbent (Tues & Thurs: 8:20 – 8:50) continued to run a before school core-strength club. This was attended regularly by around 20-30 children. During these sessions, the children would use the gymnastics equipment to engage their core and develop their gross motor skills, core strength and body control. This was greatly received by the parents, teachers and pupils as a support structure for children who struggled in these areas or needed an opportunity to expend some energy before school. This was also used as a tool by some 1:1 TAs of the school to support the needs and development of their pupils also. To build on this success next year, we would like to continue this club and try to engage more pupils. We would also like to offer a Change4Life club to try to engage more pupils in PE, school sport and active lifestyles.

The profile of PE and sport being raised across the school as a tool for whole school improvement

To raise the profile of PE across the school and local community: Ocean was well on track for achieving its 4th gold kitemark but, because of Covid-19, the application process was removed by SSG. However, as a consolation, schools who were ‘actively engaged in the program’ received a participation award to acknowledge their continued development of PE, School sport & health, which Ocean received. During the 2020-21 academic year, Ocean must achieve its fourth gold kitemark award. The profile of PE, SS & H across the school is of high importance. It is regularly planned and timetabled and is never missed. Awards are given and celebrated in whole school assemblies and PE, SS & H is often mentioned as one of Ocean’s strongest attributes. The acquisition of new kit for pupils to wear at sporting events has raised the profile in and out of school further. By participating in many events across Bournemouth, Christchurch and Poole, school sport opportunities are regularly in the calendar and reported on in the newsletter and assemblies. A half termly sport newsletter is shared with all members of the community via email and the Ocean Academy PE twitter account is regularly used to engage parents with the attendance of events and results. To further improve this next year, we would like to organise and host Ocean competitions for other schools to attend, organise in-house, half-termly competitions and develop the use of the twitter account to engage more parents and the wider community.

Plan for Academic year 2020-21:

Academic Year: 2020-21		Total Funds Allocated: £19,570		
Sport Premium Outcome & whole school objectives	Desired Impact	Actions	Budget	Evaluation
<p>The engagement of all pupils in regular physical activity:</p> <ul style="list-style-type: none"> To develop the variety and quality of active playtime opportunities To develop the use of active learning during curriculum time To obtain the healthy schools kitemark 	<ul style="list-style-type: none"> All playtimes will offer a wide range of opportunities for children to be active and engage in a healthy, active lifestyle and all staff will be engaged in developing this All snacks will be a healthy choice (fruit or veg) Each class will engage in at least once-a-week, planned active learning opportunities across their curriculum Ocean will achieve healthy school status in 2020-21 academic year We will engage at least 50% of pupils in extracurricular clubs 	<ul style="list-style-type: none"> Develop a healthy, active playtime timetable Reminder letter to parents regarding healthy snack options PE teacher to support teachers to plan/timetabled active learning opportunities in their curriculum offer Keep up to date registers of club, squad and competition pupil participation Plan and timetable squads and clubs available for 2020-21 	<p>All – employment of full time PE teacher</p>	<p>Mid Year Review: 25.02.2021</p> <p>Equipment and playground markings purchased to further encourage active playtimes. Playtimes have been designed to ensure that all playtimes offer active opportunities. The following is in place:</p> <ul style="list-style-type: none"> Stadium - Has large imagination equipment bikes and trikes - to encourage a different form of exercise/movement Playtrail - encourages children to climb/balance/swing Front Playground- traditional ball games /racquet sports for children who prefer the more traditional sports <p>All newsletters include a healthy schools/healthy eating section Teachers now ensuring that only fruit/veg snacks are eaten in school</p>

- Core strength club will run weekly and target those children who would most benefit
- Our free change4life club will be successful and engage at least 25 children in developing an active, healthy lifestyle

Prior to lockdown 3 and planned after lockdown has ended, squad training, core strength and external providers will return.
 Numbers of children participating in each club - see registers:

Club	Numbers attending
Change for Life	25
Girls Football	22
Boys Football	Capped at 30
Netball	Capped at 30
Athletics	Capped at 30

Healthy Schools kitemark was postponed this year due to Covid, this will be resumed when possible.

<p>The profile of PE and sport being raised across the school as a tool for whole school improvement:</p> <ul style="list-style-type: none"> To develop the communication and profile of PE, SS & H across the school and the wider community To achieve our 4th gold kitemark award 	<ul style="list-style-type: none"> A whole school approach to PE and Games as core learning is evident and PE, SS & H holds high importance in the curriculum and across the school Achievements in PE, SS & H are celebrated in the school and wider community 90%+ of available local competitions are entered and participated in Opportunities for the least active population to participate in extra-curricular sport are evident Opportunities for PPG & SEND children to participate in competitive sport is greater than previous year SOG Gold kitemark #4 is achieved 	<ul style="list-style-type: none"> Planned in to long term curriculum plan/vision Half-termly sport newsletter celebrates all aspects of PE, SS & H Twitter is used regularly to engage the wider community 90% of available local competitions and events are attended: keep up to date registers of all events attended highlighting less active, PPG and SEND 	<p>All – employment of full time PE teacher and entry fees to local events</p>	<p>Mid Year Review: 25.02.2021</p> <p>Evidence of weekly acknowledgement by pupils in the 3 good things mentioned - PE is highly regarded across the school.</p> <p>Pupil survey to be held in the Summer term. Staff survey to be held in Summer term.</p> <p>Termly PE, SS & H newsletter is published recognising success across PE, school sport and health. Prior to lockdown, Ocean had planned to enter 95% of all competitions on offer. This will continue to be the aim in the 2021-2022 academic year when competition and school sport can resume.</p> <p>PE & teaching staff are more aware of encouraging PPG & SEND children to participate in wider school activities: Numbers of PPG & SEND attending school clubs - see registers:</p> <table border="1" data-bbox="1599 517 2161 823"> <thead> <tr> <th>Club</th> <th>Numbers attending</th> </tr> </thead> <tbody> <tr> <td>Change for Life</td> <td>12/25 = 48%</td> </tr> <tr> <td>Netball</td> <td>10/30 = 33%</td> </tr> <tr> <td>Girls Football</td> <td>8/22 = 36%</td> </tr> <tr> <td>Boys Football</td> <td>16/30 = 53%</td> </tr> <tr> <td>Athletics</td> <td>12/30 = 40%</td> </tr> </tbody> </table> <p>School games kitemark application is not available this year. Application for kitemark will resume in 2021-2022. Ocean remains a Gold kitemark school and actions all of the Gold criteria.</p>	Club	Numbers attending	Change for Life	12/25 = 48%	Netball	10/30 = 33%	Girls Football	8/22 = 36%	Boys Football	16/30 = 53%	Athletics	12/30 = 40%
Club	Numbers attending															
Change for Life	12/25 = 48%															
Netball	10/30 = 33%															
Girls Football	8/22 = 36%
