

Aspire Award Challenge Record guide

1. Once you have logged in to Google Classroom, navigate to the 'Classwork' section. Here you will find the Challenge Record, in the Aspire Award topic section.

2. Click on 'Aspire Challenge Record' then click 'View assignment'. This will open up the assignment.

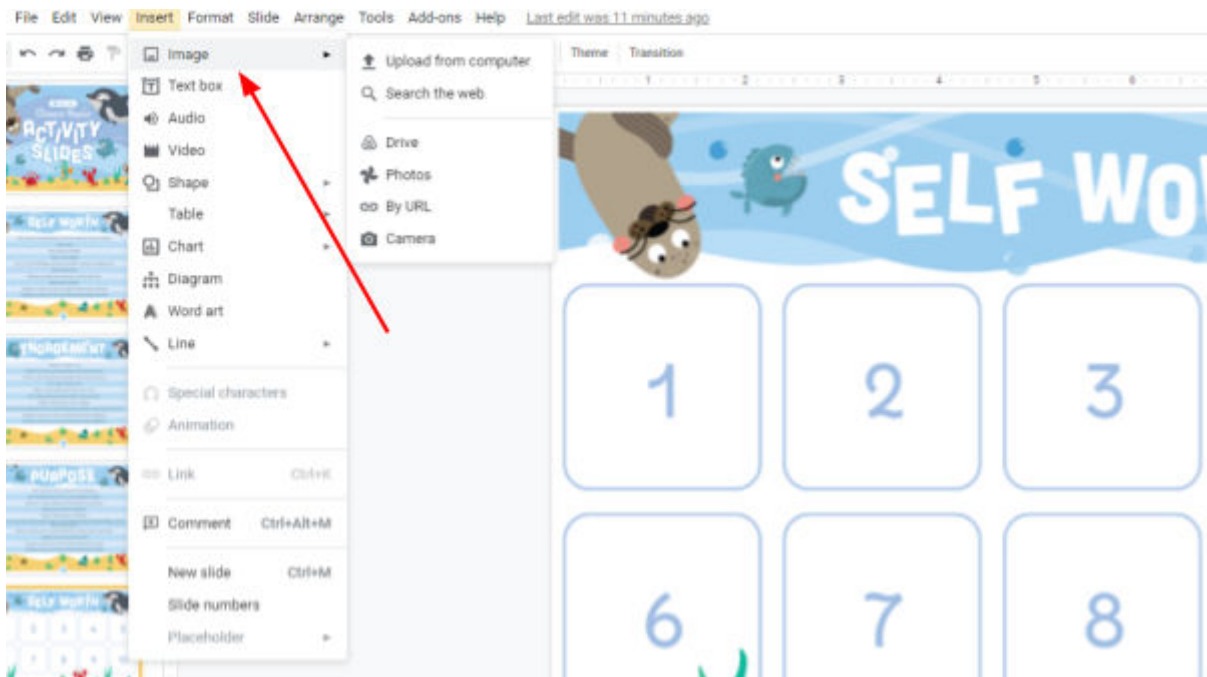

3. Click on the google slides image to open up the record.

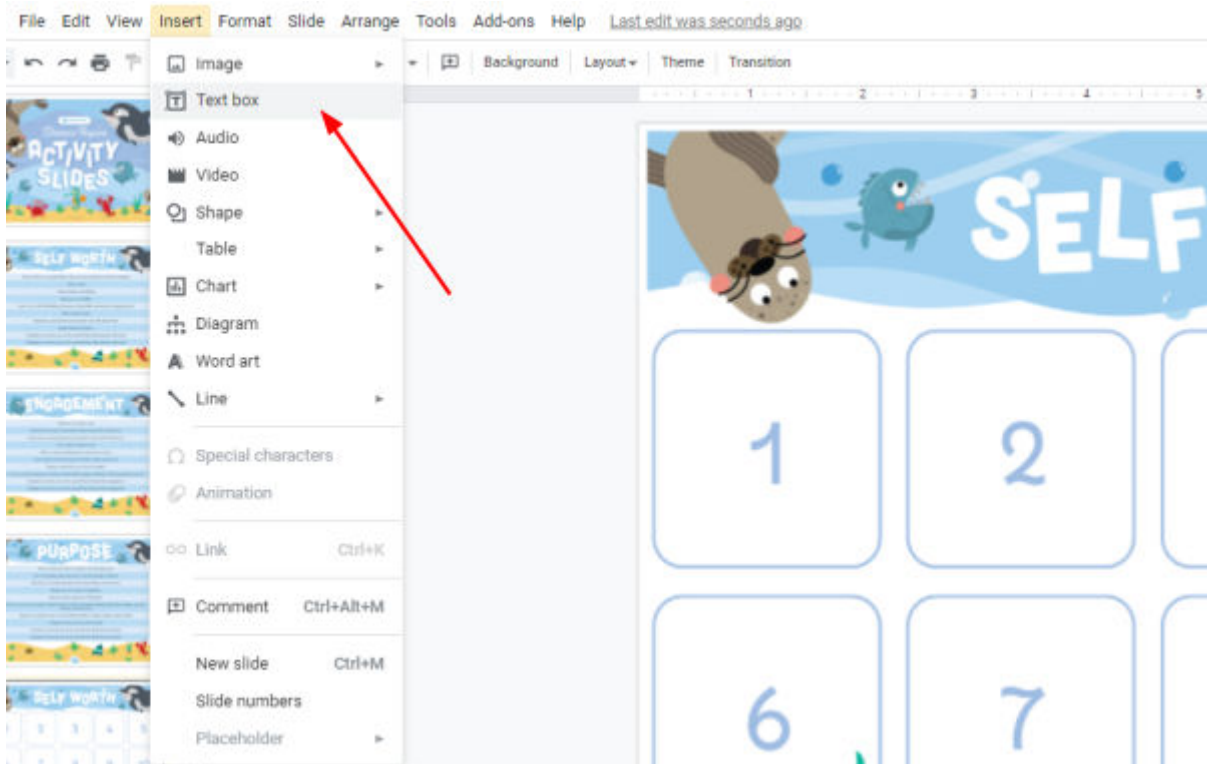

- Slides 2-4 list the challenges for each award, and slides 5-7 provide boxes which match to the numbered challenges, which pictures/text can be added to.

To add a picture:

To add text:

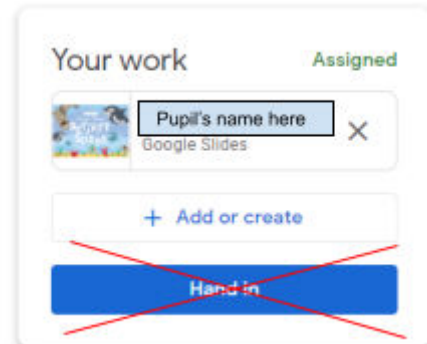

Both the images and text boxes can then be resized, dragged and dropped over the corresponding numbered boxes.

- Once all the challenges of an award have been completed, please inform your class teacher. **Please DO NOT click 'Hand in' at this stage, as you will then be unable to record any further challenges on this document for other awards.**

Record

... completed challenges by inserting images or text to explain what you have
... awards and do not need to work through them in any particular order.
... as you go. **DO NOT CLICK HAND IN!**
... you achieve!

N.B. If you would prefer to use Microsoft Powerpoint, the slideshow can be downloaded into this format. Please note, this will therefore not be updated on Google Classroom and printed copy will need to be handed to the class teacher when all 10 challenges for an award are complete.
