Amazing supportive and engaging school that I cannot praise enough
I could not rate this school highly enough for all children, especially children with SEN needs.
We are new to the school and so far am very impressed with the support and communications.
More than happy with the education and support that our children receive here and very appreciative of all your efforts. Thank you Ocean.
Absolutely wonderful school. Bella has settled really well and Mr Burns and Ms Elliot have been such great influences on her. Thank you so much.

Thank you for all your hard work. Mr Beadie is the best music teacher. Also Mr Beadie is one of the most funniest teacher I know. My favourite subject is maths because we do posts or problem solving and I really like solving problems!

We are very happy with how our son has settled into Ocean. The staff know him so well already. Thank-you so much.

Happy to be part of ocean family.

Thank you for your amazing support .

Amazing school!!!!Very happy with the teacher

Awesome school!!!

My child is very happy here and has settled in very well, he had issues in infant school but oceans has supported him so much that he is coping very well. We are very happy that he is here

Really nurturing, fab school - thank you :)

More opportunity to join school run after school clubs. My child has tried multiple times to join athletics and football but not allowed. I believe at this age desire to join should be considered not just ability.
