Careers Day - planned in

### Catering

1. Colleen gave an update on her meeting with IFG following parent feedback.
2. Colleen asked for feedback on how it's now going. Comments were made that pupils don't enjoy the roast and they are still hungry after this meal. Pupils have moved from lunches everyday to once a week as there is not enough choice e.g. pizza or pasta and is very carb heavy and a repetitive menu. 5 days before, you cannot cancel a meal. Some pupils do like the meal. Pudding needs to be given to the children after the meal. Can pudding be charged separately? Can there be a vegan version of the yoghurt.
3. Colleen agreed to feed this back to IFG. Parents also agreed to raise their concerns with IFG directly.

### Parent's Evening

1. Wednesday 20th November 2.30pm - 8.00pm
2. Colleen asked whether parents would prefer online or in person. Face to face was unanimous with books out to look at before.

### CPTA

1. Representative from CPTA explained the AGM meeting is tomorrow at 7pm at the Grasshopper. They explained that it doesn't mean commitment to every event. They would love more people to join.

### AOB

1. Boom reader - One parent commented that it is time consuming but others liked it. We discussed how detail doesn't need to be logged, just one read 5 times a week as before. One parent commented that initially she didn't like it as it was time consuming but it's easier now she is logging once a week. We discussed the use of incentives and discussed how Boom Reader rewards children with gems. One parent said she loves it. We agreed to continue trialing it for this year.
2. Trials for sport teams - please can there be trials? Colleen agreed to feed this back to Mr West.
3. Clubs - many invite only clubs, can this change? Colleen agreed to this.
