Tuesday 7 October 2025

Dear Parents and Carers,

This half term, we have been learning all about life in the Stone Age, and the children have really impressed us with their curiosity and enthusiasm. To celebrate the end of this exciting topic, we are holding a **Stone Age Day on Tuesday 21st October.**

On the day, we will be joined by visitors from **Poole Museum** who will bring in a range of fascinating Stone Age artefacts. Alongside this, the children will take part in a variety of practical and creative activities linked to what they have learned. We're delighted to let you know that this special visit from Poole Museum comes at no cost to families, as it is being fully funded by the school.

If they would like to, the children are welcome to come to school dressed up for the day. Think **leopard print, earthy colours and wild "just out of the cave" hair!** Please don't feel any pressure to buy anything new — homemade costumes and simple touches are more than enough.

We are really looking forward to what promises to be a fantastic day and a super way to round off our first half term at Ocean.

Thank you, as always, for your support.

Yours sincerely,
The Year 3 team
