11 September 2026

Dear Parents and Carers,

With the start of the new term now underway, we are writing to introduce our new Attendance Reward System for this academic year. This initiative aims to recognise and reward consistent school attendance throughout the year.

The system works as follows:

- **Personal Attendance Cards:** Each child will receive an attendance card. For every week of full attendance, they will receive a mark on their card to track their progress.

- **Bronze, Silver, and Gold Awards:** As children fill their cards, they will reach three milestones—Bronze, Silver, and Gold receiving certificates to mark these achievements (achieving 97%+ attendance to gain Gold).

- **Accessible for All:** We understand that illness and occasional absences are unavoidable. The award system operates across the entire academic year, allowing children to continue collecting marks and progressing through the levels at their own pace.

We believe that coming to school regularly is key to a child's success. Being in class consistently helps students stay connected with what they are learning, supports their academic progress, and offers important chances to build social skills and good habits for the future. We appreciate your ongoing support in encouraging regular school attendance.

Kind regards,

The Ocean Academy Attendance Team
